Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received, or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension, special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1250 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate and forward these papers to the regimental, detachment or post commander who will forward them with his action endorsed thereon, through the proper channel to his division commander, or, if the troops are not attached to a division, to the troops department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, and the [illegible] through the same channel to the regimental post or detachment commander who will, if the discharge is approved by the commander of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with his proper final statements in duplicate and forward both of these certificates direct to the Adjutant-General's Office, United States Army, at Washington, D. C. They will not, under any circumstances, be given into the hands of the soldier.

I have the honor to enclose you communication endorsed, as I believe, with the information asked.

I desire further to state that my loan (Civil loan) had not expired when I received the loan of absence to take command of the 5th Ky.

It seems that some persons have been intriguing with the Governor of Ky in order to take away this from me. In no way can this be true in of any other without discipline and I can see no reason for the repeated action of the Governor unless it be that I have endeavored to make Soldiers out of a disorganized mob and possibly have, in doing my duty as a Soldier, offended some whose inebriated habits run at variance with military discipline — (or)

It will be filled in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, as the case may be, will commence both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of Gen H. Gunny of Jefferson City drafted in 5th District of Ky Nov 25th, 1864, we have strictly observed the Regulations which govern in such cases. This soldier has blk eyes, blk hair, dark complexion; is 5 feet 9½ inches high.

They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent and the recruiting officer to the Adjutant General, and one to accompany the accounts of the officer who pays the recruit &c. NOTE 1.—This blank will be used for both enlistments and re-enlistments of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the mustering officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays them, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A minor can do all acts, provide payment of pay, bounty, pension, &c. A minor can do all acts, in all cases, by filed in the Adjutant General's Office as evidence of matter-fact. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

Note 1.—This blank is to be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate, one to be filed in each case—one to accompany the muster-roll of the organization, next after muster-in of the officer to whom application for enlistment is made, the original to accompany the return of the officer to the Adjutant General, and one to accompany the descriptive list of the recruit.

Note 2.—The Enlistment and Consent are to be signed in duplicate before the mustering officer in all cases, by the recruit and by the parent, guardian, or master of a minor, as the case may be, and the latter will be required to make oath to the truth of the statements therein contained. SEC. 12. *And be it further enacted*, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars; which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

SEC. 13. *And be it further enacted*, That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding three hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

FINAL STATEMENT

OF

Rgt of Unassigned

Ky VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. Final Statements are never given to men mustered out of service, that he may at once receive from the Paymaster the pay &c. due him, and the captain or other COMMISSIONED officer commanding the company will comply to the act of the discharge of the [illegible] with those certificates the Soldier is entitled to his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the stoppages, accounts, and all other charges against him, or in his favor, so as to complete a settlement on the part of the Soldier, who will carry all the endorsements to a paying Commander of the Soldier, who will carry all the endorsements to a paying Commander of the Soldier, who will settle the Soldier's account on the muster-roll upon which the endorsement of the Soldier's account on the muster-roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining payment to the Soldier's account may be settled upon the receipt of these papers only, and the Soldier's receiving pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laundress must be entered on the account on which [illegible] Laundress Account is presented at each of the final statements, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men as well as for others.

NOTE 8.—Whenever a soldier dies in Hospital or on detached service his descriptive list [illegible] should be sent by the first steamboat or conveyance to the Adjutant General's office, Washington, D. C.

NOTE 9.—If the soldier is a deserter, or re-enlistment, the space for those [illegible] should be filled up with the exact figures or statement as the case may be. [illegible] should be entered in words, and not in figures, and should be carefully examined by the officer signing the certificate, to prevent errors. A statement of all the [illegible] should be entered in the descriptive list, and attested by the officer making the entries, at the time of each final settlement.

I certify, on honor, that [illegible] Lieutenant of Captain [illegible] ~~Company~~ ( ) of the [illegible] ~~Regiment~~ of [illegible] VOLUNTEERS, of the State of Kentucky, born in [illegible], State of Kentucky, aged 25 years; 5 feet 6½ inches high; [illegible] complexion, [illegible] eyes, light hair, and by occupation a [illegible], who joined for service and was ~~enrolled~~ (see Note 9) on the 27th day of September, 1864, at [illegible] by Capt. NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Note 1.—The blank will be used for both enlistments and re-enlistments—enlistments of veterans, &c., in the existing service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, the other to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c.
